Highlights

Access to all controls
The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Hard-shell polycarbonate case
This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

Crystal-clear screen protector
The crystal-clear film adds an invisible layer of protection against scratches and dust to your device's display screen. It works using static adhesion, so it's easy to apply and remove without leaving any sticky residue.

Silicone accents
This case features non-slip rubberized or silicone accents to improve your sense of grip on your device.

Slim, pocket-friendly design
The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Wrap-around protection
The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

Protection in a snap
This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

Covered buttons
The case material covers the volume buttons, giving you push-through control while your device stays protected.
